Literacy impacts every aspect of our lives. We help adults with low literacy levels improve their literacy skills, which helps them achieve more at work, with family, and in their everyday lives. You can make a difference. Contact us to learn how to become a volunteer tutor and work one-on-one with a learner in our community.

# Why volunteer with the PCLC?

Tutoring is a rewarding experience! Our learners choose to come to us for services and are motivated to learn. With your support, they can build their skills and achieve their goals!

- Make a difference in someone's life
- Meet new people
- Strengthen your community
- Build your skills and resume
- Experience the world without leaving town

## Tutor Qualifications

- Adults age 18 and over
- The ability to read, write, and speak English at an advanced level
- Completion of new tutor training and activities
- Ability to volunteer for 2-4 hours/week for at least 6 months and preferably 1 year
- Flexible, dependable, and patient teaching style
- Respect for adult learners and people with diverse backgrounds

## We work with:

- Adults working to improve their reading, writing, and/or math skills
- Immigrants and refugees who are learning English as a new language
